Community Update

Term 1, Week 6

Student Arrival Times

Teachers and education support staff are on duty for student supervision from **8:45am** each morning.

Staff are not available to supervise students, including the school office area, prior to 8:45am unless prior arrangements have been made for emergency situations. We appreciate your cooperation with this.

The Music Program

The aim of the music program is to build the students confidence to experiment and express themselves through sounds and music. This year we will work towards composing rhythmic patterns, short melodic pieces as well as soundscapes to compliment stories and artworks. We will use a range of instruments including drums, xylophones and ukuleles. The students will also learn and sing a number of songs with backing music or with me playing guitar.
