SCHOOL

Community Update

Term 1, Week 7

Write 4 Fun Competition!

Hume Valley School has been invited to participate in the 2021 'Write4Fun' competition. The competition is designed to encourage student's creativity with literacy and showcase writing talents from students across Australia from Prep to Grade 12.

Sustainability

Once again the Hume Valley School composting program has commenced with all Sub-Schools getting on board to help reduce waste. Selected students (Compost Crusaders) from each sub-school collect the compost bins from their areas and empty them to a central bin located just outside the Valley Kitchen Garden. The HVS Horticulture students add the food waste to the larger composting zone where everything is broken down until it can be reused in the HVS gardens.

Jump Rope For Heart

Jump Rope For Heart Day is next **Wednesday 17th March**.

All classes will have a chance to participate in the program with their sub school. Students will stay in their classes with their teachers for all of the activities (except Precal & VCAL who we will split up on the day).

School Contact: Please contact the school if you require any additional information either by phone 9309 3477 or hume.valley.sch@education.vic.gov.au
