Skateboarding

Each Thursday, a group of Secondary and Senior students have been participating in a skateboarding program in our school's Traffic Safety Education area. Provided by YMCA, this fully funded skateboarding program measures student activity levels and perceptions before and after the program. It has been wonderful to see the high levels of resilience and collaboration demonstrated by our students as they attempt new skills and support each other in their learning.

School Reports

Semester 1 Student Reports based on achievement and progress made throughout Term 1 and 2 will be provided to parents/carers at the beginning of Term 3. This is due to a reporting deadline extension for Victorian schools due to the disruption caused by COVID-19 in Term 2. We look forward to discussing your child's progress during Term 3 SSG's, which will be held Week 4 of Term 3.
