Community Update

Term 4, Week 2

Welcome Back

We hope you have all been able to relax and enjoy your holidays, despite the ongoing COVID lockdown. As announced by the Premier, all schools in metropolitan Melbourne will begin a staged return to onsite learning this term. Please refer to the school website for your son/daughter's return to onsite learning; a hardcopy has been sent to each household as well as an SMS to all parents and carers. If you are confused, please contact the school to clarify.

Photo Permission

**DO YOU
HAVE
PERMISSION?**

In preparation for our 2021 HVS Yearbook, some families will be contacted by the school to get updated photo permission; a link to the photo permission Google Form will be sent to parents/carers via SMS. Please complete this form as soon as possible to ensure we get to share and celebrate the highlights your child has experienced at school this year.

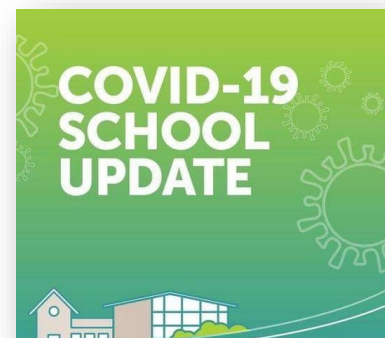

Covid Updates

A friendly reminder that facemasks must be worn when entering the school grounds—If you get out of your car to support your child during drop off and pick up, please wear a mask.

As part of the COVID-19 vaccination roll-out, all students aged 12 and over are now eligible to receive a coronavirus (COVID-19) vaccine.

Information about vaccines and eligibility can be found on the coronavirus.vic.gov.au website.

If your son/daughter is unwell please keep them at home. Parents will be notified and expected to collect their son/daughter if any symptoms are presented at school.

School Contact: Please contact the school if you require any additional information either by phone 9309 3477 or hume.valley.sch@education.vic.gov.au
