# Community Update

Term 3, Week 6

## Google Classroom Support

Getting set up for Google Classroom can be tricky at times. For support, please go to the HVS website to watch a tutorial or contact your son or daughter's Sub School Leader.

## Wellbeing Wednesday

"Wellbeing Wednesday" aims to ensure that students/parents and carers have a day each week to focus on themselves, reduce the pressure of academic tasks, and to learn some new strategies aimed to increase wellness. Classroom teachers will provide activities and resources for students to complete at a more leisurely pace throughout the day. Classroom teachers will use this day to plan for the coming week's teaching and learning activities.

## Focus on Ability Short Film Festival

Last year our VCAL students created an entry for the Focus on Ability film festival. The Focus on Ability Short Film Festival is aimed at raising awareness of the abilities of people with a disability. Last year Hume Valley School created a film called 'Captain Wah Wah'.

This year we produced a new film called 'Stick Together' that aims to celebrate the inventive ways we are trying to communicate with our friends during the COVID-19 lockdown. We are very proud of this film and will provide more information about it when it is released on September 1st.

In the lead up to the 2020 school film release on September 1st, the Focus on Ability film festival organisers are running a TV show on Foxtel Aurora, on Channel 173, this Sunday the 23rd at 7PM. This show will present some of the best films from last year including Captain Wah Wah! We hope you can tune in.
