Community Update

Term 4, Week 8

No School this Friday

Just a reminder that this Friday is a school curriculum day—students do not attend school this Friday (27th November).

All staff will spend the day planning for 2021 and completing professional learning.

School Lunches

Over the last 2 weeks there has been a significant increase in the number of students who are not bringing lunch to school and some students are bringing large packs of chips, lollies and chocolates instead of lunch.

In line with our healthy eating policy and programs we encourage our students to bring a nutritious lunch each day e.g. a snack, fruit, a sandwich/wrap and a bottle of water. (Please see the attached example of an ideal and nutritious lunch box.)

We know the financial strain created by COVID may have affected the capacity of some families to provide school lunches on a daily basis. If this is a problem for you, please feel free to contact the school so we can assist you in this regard.

Time to Update Student Details

All students will be bringing home an envelop soon that contains several forms we need families to complete and return to school as soon as you can. These include:

- ⇒ Student Emergency Contact Details
- ⇒ Parent Payments Letter
- ⇒ Local Excursion Consent Form
- ⇒ Photography Consent Notice (only return if you do not give consent)

Update Your Contact Information
