MOVIE REVIEW

The movie is called **Big Hero 6**. It was a great movie for everyone to watch. The movie is about a hero who was fighting with another guy named Isaac. Isaac was bad and mean to Hero.

My favourite character is Hero. He has fighting skills and he learned how to do it from his dad Xavier. I liked how Hero's dad Xavier rescued him with a very fast bike. That was cool.

I liked the movie because Hero had learned skills from his dad when he was little.

Fortnite Review

Fortnite is a 100 player battle royale. 100 players land on an island, grab weapons, heals and resources and fight to be the last one standing. You can buy cosmetics using the in-game currency, v bucks, which you use to buy cosmetics like outfits, Back blings, Pickaxes, Gliders, Emotes, and wraps. The modes in the game are Solo, Duos, Squads, Arena solo, Arena trios, Creative and Battle lab. And there's LTM known as Limited time modes like Solid gold, One shot, Sniper shootout, Catch, High explosives, Unvaulted etc.

My favourite outfit is Yuletide Ranger and Nog Ops because it's good. It's one of my favourite outfits in the game, you can make good combos with them.

I like Fortnite because it's fun, addictive, and I like the gameplay, the cosmetic and the game modes. I rate it 5/5 because it's on of the most popular battle royale games in this genre. I recommend it because it's fun, enjoyable, awesome, addictive and it's fun to play with friends you have on your friends list as Epic friends, PSN friends or XBL friends.
