

VIC School Leaver Information Session

Supporting your pathway to post-school life

The National Disability Insurance Agency would like to invite Victorian school leavers, their parents and carers to attend a virtual information session.

This session will provide an opportunity to hear about supports available through the NDIS to support transition to post-school life and employment. Learn how to prepare for a conversation about goals and things to consider when choosing the right provider.

Sessions are offered over multiple dates to allow flexibility for attendees, and will be delivered via video-conference using Microsoft Teams. Registrations will close three business days before the event. If you would like to attend, please register via Eventbrite.

Two business days prior to the event, login details (including the MS Teams link to join the session) will be sent to the email address you provide at registration.

For any enquiries regarding this session, please contact community.engagement.vic@ndis.gov.au and include the session name in the subject line.
