

# Object Functions

Hume Valley School Speech Language Pathology Department

## WE ARE PRACTISING:

- Naming objects based on their function (what we use them for)

## HOW TO PLAY:

- Click on this link:  
<https://docs.google.com/presentation/d/1uXPpXgNbsFKu2sxEpXD5wMqUMo1AHXuzMw1BaGgBYSI/edit?usp=sharing>
- Click on 'present' in the top right corner of the page
- Press the space bar to go to the next page
- Ask your child the question, like "What do you eat with. A car, a fork, or a hat?" Point to each picture as you say it.
- Your child can answer by pointing or using their words.
- Press the space bar to see the answer.
- Press the space bar again to see the next question.
- Repeat until the questions are finished.

## USE SENTENCES LIKE THESE

- "What do you drive?"
- "Can you drive a hat? No, that's silly"
- "That's right, you drink from a glass."
- "I love how you are trying so hard"
- "Let's go to the next page to see if we were right."
- "You think we sleep in a bed. So do I."
