

Social Skills- Identifying Emotions

Hume Valley School Speech Language Pathology Department

Watch this video: <https://www.youtube.com/watch?v=dOkyKyVFnsS>

HOW TO PLAY:

- Watch the emotions video with your child.
- Pause the video when it begins to count down (3, 2, 1).
- Ask your child “how are they feeling?”. Show them the pictures on the next page to help them.
- When your child has chosen an emotion say something like “you think they are happy, so do I. Let’s keep watching to see if we were right”.
- Resume the video.
- Repeat until the video is finished.

WE ARE PRACTICING:

- Understanding facial expressions and gesture

happy

sad

angry

disgusted

scared
